MEMORANDUM FOR: Chief, Logistics Services Division
Office of Logistics

SUBJECT: Commendation for the PBS Carpenter
and Paint Shops

1. As you know, in my work as Chairman of the Fine Arts Commission I have had continuing reason to work with the carpenter and paint shops in this building. I am pleased to say that my requests have always been met with prompt attention, skill and imagination. Beyond this, I have always been met with unfailing courtesy. It has been a real pleasure to have the assistance of these offices and I would appreciate it if you would be good enough to advise the men in these offices as well as their supervisors of these reactions.
